

OMNIA 830MM FLOOR SCRUBBER

Battery power walk-behind scrubber

- Omnia is suitable for cleaning floors with particularly stubborn dirt, as can be found in slaughterhouses, food industry and industrial facilities, warehouses and workshops.
- It is a scrubbing machine with automatic traction drive that can endure long cleaning sessions and stubborn dirt, also on uneven floors.
- The unit with two disc brushes always guarantees maximum scrubbing efficiency, while the adjustable squeegee and the powerful vacuum motor ensure perfect drying.
- The brush and solenoid valve automatically switch-off when the machine is not operating.
